Dear Chair DeFazio and Ranking Member Graves,

I am requesting funding for roadway improvements in the surface transportation reauthorization legislation. The project sponsor is the City of Delray Beach and the project is located at Lowson Boulevard in Delray Beach, FL.

The funding is designated as part of the city's Complete Streets program, which will provide shared use paths for bicyclists and pedestrians, a pedestrian bridge, and additional sidewalks.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: This project will directly benefit children who are walking to the nearby Pine Grove Elementary School, improve drainage along the roadway, and enhance travel safety for all pedestrians and cyclists.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Lois Frankel  
Member of Congress
